O MALÉ PLANETČE Marie Krůčková

1. By-la ma-lá pla-net-ka, ja-ko teč-ka, o-bí-ha-la

sl-nič-ko do-ko-leč-ka. By-la sa-ma, da-le-ko,

pr-cek ma-lý, vel-ké pla-ne-ty si jí ne-vší-ma-ly.

2. Zpívala si potichu
svou písničku
o tom, že chce trochu blíž
ke sluníčku.
Planety jí slyšely,
mávlý na ni,
zkratku malé planetce
ukázaly.

3. Najdeme si cestu svou,
po ní jdeme,
nakonec se, kam chceme,
dostaneme.
Přeskočíme, obejdeme
to, co vadí,
a toho, kdo pomáhá,
máme rádi.
